The screenshot shows the website TINTENPLUS.CH. At the top, there is a navigation bar with links for Home, Registrierung für Neukunden, Presseberichte, Warenkorb, and Kontakt. The main header features the TINTENPLUS.CH logo. Below the header, there is a user login section on the left with fields for Benutzer Login and Password, and a Login button. In the center, there is a search bar for 'Suche für Tinte & Toner' with a search button. On the right, there are dropdown menus for Land (Switzerland), Sprache (Deutsch), and Währung (CHF). The main content area is titled 'Tinten Plus - Die Schweizer Alternative für teure original Tintenpatronen, Druckerpatronen und Toner!'. Below this, there is a 'Produkte' section with three 'Peach Combi Pack' items. Each item is priced in CHF and includes shipping costs. On the right side, there is a 'Schon gesehen?' section with a recommendation for a Peach Druckkopf and Tintenpatrone for CHF 13.40, and another recommendation for a Peach Combi Pack for CHF 24.80. A sidebar on the left lists various printer brands like HP, Lexmark, Epson, Compaq, Canon, Brother, IBM, Ricoh, Dell, Kodak, and Samsung, along with other categories like AGFAPHOTO Shop, Batterien, and Bindsystem.

A) **BUSINESS IDEA & INTRODUCTION OF 3T Supplies AG**

3T Supplies Ltd. in Schindellegi/Switzerland belongs to the biggest, alternative Printer - and Accessories-Manufacturers in Europe. The products are offered under the well-known brand name of **Peach**.

In Switzerland, the inks and the technologies are developed and are patented products, whereon they will be filled and packed up in our factory in Cesky Brod (the Czech Republic) into inks - and toner cartridges. We belong to the leading suppliers in the domain of compatible printer-cartridges **with all leading brands like Canon, HP, Brother, Epson and Lexmark**.

3T Supplies offers with a Franchising system to sell its products to End-consumers. A Shop tool that is integrated in the Shop developed by 3T Supplies.

We have all the products needed for the home user and Soho customers. In Switzerland, over 1 billion Swiss francs have been expended alone for printer-accessories. This capital is put into office - and school-applications, however also around the booming market with the digital photography . The share at consumers, who buy this product-group over the Internet, is increasing drastically. In Germany almost 50% are ordered for ink cartridges over the Internet. A trend, that is also seen in Switzerland.

Our Internet partners also benefit from a wider range of products than just ink. We also Office Supplies, like ;

- **Shredders,**
- **Laminating**
- **Binding Machines**
- **Cutting Machines**
- **Calculators**
- **Mobile Gear computer accessories**

The 3T Supplies has grown during the last 3 years with its Shop partners to have more than more than one million Swiss Francs in turnover per year!
